BizPortal Company Registration Guide (South Africa)

Step-by-Step Guide to Registering a Company on BizPortal (CIPC)

BizPortal is the official paperless digital platform for company registrations in South Africa. You can register a Private Company (Pty Ltd) quickly, often in one day.

Costs (2026)

- **R125** – Register without a name (registration number becomes the name)
- **R175** – Register with a preferred name

Requirements Before Starting

- South African ID number (currently for SA citizens/residents)
- ID numbers and details of all directors and shareholders
- Up to 4 proposed company names (if choosing a name)
- Stable internet and 3D Secure enabled card
- Be prepared for Home Affairs identity verification questions

Step-by-Step Process

1. **Visit the BizPortal Website**
Go to: <https://www.bizportal.gov.za/>
2. **Create or Log in to Your Profile**
 - Click **Register** or **Login**
 - Enter your SA ID number
 - Verify identity with OTP
3. **Select Company Registration**
Choose **Register New Company**
4. **Choose Registration Options**
 - With or without a name
 - Enter up to 4 name preferences if applicable
 - Select company type (usually Private Company / Pty Ltd)
5. **Enter Company Details**
 - Main business activities

- Registered and postal addresses
- Share structure
- 6. **Add Directors and Shareholders**
 - Enter details for each
 - Complete Home Affairs verification for directors
- 7. **Review Memorandum of Incorporation (MOI)**
Review and accept the standard MOI
- 8. **Make Payment**
Pay the applicable fee online
- 9. **Submit Application**
Wait for approval and receive your Certificate of Incorporation via email

After Registration

- Automatic registration with SARS, UIF, and Compensation Fund
- Option to open business bank account via partnered banks
- Download B-BBEE certificate if eligible

Tips

- Double-check all information
- Name approval not guaranteed
- Contact CIPC support: 086 100 2472 for issues
